MAN'S
S/S 2020
COLLECTION

URBANWEAR

technology tailored

An Urbanwear collection that combines the most technical needs of those who live the city in a dynamic way, with the bike and/or the motorbike, to metropolitan everyday life.

Three are the key words that frame the spring summer 2020 collection: TECHNOLOGY TAILORED - DYNAMIC - EASY STYLE.

Balanced volumes and innovative fabrics, designed specifically for the outdoors and beyond.

The careful research of the most advanced technologies in fabrics joins the search for an easy chic metropolitan style, where the contaminations between different worlds, from the sporty to the elegant one, are mixed to create a new stylistic code, for a transversal collection in its use.

**Be elegant, be modern, be hi-tech... be MOMODESIGN
URBANWEAR!**

PROGETTO
GRAPHENE™
INSIDE THE FUTURE

GRAPHENE™

Graphene is the new textile material that will change the way to make garment.

The unique properties of graphene, such as the thermal conductivity, electrostatic, lightness and antibacterial, make it an interesting material for different application.

Graphene is an innovative nanotech soft and light material, characterized by high conductive capacities that care the regulation of body temperature.

The warm in hot weather conditions is dispersed, while in the presence of low cold temperatures it is equally distributed stabilizing inside temperature.

TORONTO — MD-JK2001

The TORONTO long jacket has been designed to provide unique thermal insulation. Thanks to the Graphene wadding, it is suitable for harsh winter climates, without sacrificing “hyper” lightness and comfort.

The Italian outer fabric is treated DWR to resist to water.

To adapt the jacket to your look, hoods are available in different colors, interchangeable and also sold separately.

Many personalized details and cutting-edge technical finishes, such as the graphite zipper and the waterproof pocket with logo, make this jacket the icon of the MOMODESIGN URBANWEAR 2020 collection.

Features:

- External DWR fabric Made in Italy
- Graphene padding for maximum thermal insulation of the body
- Transparent inside window
- Removable and interchangeable hood in various colors with reflex print
- Print of the logo inside the placket
- 3 external pockets of which 1 with a waterproof zipper with logo
- 1 internal pocket with zipper
- Graphite double slider front zipper
- Personalized zipper pulls and snaps
- Exclusive stud with logo on the wrist
- 3 possible color variations

PANTS

SIDNEY — MD-PN2001

SIDNEY are classic pants designed for a business man who seeks maximum comfort without renouncing to his elegance.

The 4-pocket cut, made with slightly stretch Italian fabric, is embellished with a print above the right front pocket and a custom stud over the right back pocket.

Moreover, in order to make the garment more and more practical, the open hem at the bottom is made of thermo-adhesive yarn: this allows to perfectly adapt the trousers, simply by folding back to the desired length and passing the iron.

Features:

- Italian stretch fabric
- 4 pockets
- Print on the front right pocket
- Custom stud on the back right pocket
- Sewing the bottom of the leg with a thermo-adhesive thread for a more simple hemming
- 2 possible color variations
